Harmar designs, engineers and produces American made lift, ramp and home access products that enhance people's mobility, independence and quality of life. Our products include a complete line of Auto Lifts, Access Ramps and Home Access Products.

Harmar products are available exclusively through a nationwide network of authorized dealers. Customers receive care from the nation's top mobility dealers. Harmar's dealers will assist in determining the best product to fit your needs and budget. It is imperative to have an authorized Harmar dealer demonstrate, install and service your Harmar lift.

Harmar's lifts, ramps and home access products are designed and built with the “Harmar difference” - they are simpler, stronger, lighter and easier to use.
Harmar’s lineup of quality Micro Lift Systems makes transporting your micro scooter, micro power chair or manual wheelchair a breeze. Designed to combine quality with budget, there is a solution for nearly every application in Harmar’s Micro Lift line. Choose from inside lifts to outside lifts, from micro scooters and power chairs to manual wheelchairs, Harmar has a solution to make you and your mobility product mobile!
